

2009 Announcements

Prior Authorization Process Survey Results Are In

July 27

The Prior Authorization Process Survey was conducted during June 2009. The survey was open for three (3) weeks and consisted of 29 questions. Provider types DME (90) and EPSDT (40 or 45) were invited to participate in the survey. Thanks again to the 160 providers, or their designees, who completed the survey.
